Moved by Councillor Kearns

Endorse the Cootes to Escarpment EcoPark System 2022-2026 Memorandum of Understanding (MOU), attached as Appendix A to engineering services department report ES-36-21; and

Authorize the Executive Director of Environment, Infrastructure & Community Services to sign the MOU; and

Authorize annual contributions as indicated in Schedule B: 2022-2026 expenses and budget of the MOU to support the Cootes to Escarpment EcoPark System operating budget.

CARRIED

3.2 Burlington-Milton boundary roads maintenance agreement (RPF-24-21)

Moved by Councillor Kearns

Authorize the Director of Roads, Parks and Forestry to negotiate and enter into on behalf of the City of Burlington, a new boundary highway maintenance and repair agreement between the City of Burlington and the Town of Milton, and any necessary ancillary documents which sets out the roles, responsibilities, and obligations of the parties with respect to shared road segments along the municipal boundary line in a form satisfactory to the Executive Director of Legal Services and Corporation Counsel and with content satisfactory to the Director of Roads, Parks and Forestry; and

Authorize the Mayor and City Clerk to execute the new boundary highway maintenance and repair agreement between the City of Burlington and the Town of Milton in a form satisfactory to the Executive Director of Legal Services and Corporation Counsel.

CARRIED

4. Regular Items:

4.1 Drop-In Rates and Fees Strategy (RCC-08-21)

This item was withdrawn at the request of staff.

4.2 Winter services update and disposition of related staff directions (RPF-18-21)(SD-27-21)(SD-28-21)

Moved by Mayor Meed Ward

Receive and file roads, parks, and forestry department report RPF-18-21, regarding an update on winter services and disposition of related staff directions; **and**

That council consider during upcoming budget discussions enhancing the service for windrow clearing to twelve hours while keeping the fee at the existing rate for an estimated cost of \$7,000, and provide flexibility on the number of spaces, with a report back to council as part of the regular variance reporting; and

Direct the Director of Roads, Parks and Forestry to commence discussions with the Halton District School Board in order to add +/- 175m of pathway, connecting Blue Spruce Avenue to the rear of Alexander's Public School, to the list of pathways and trails that are maintained in the winter commencing in the 2021/2022 winter season (SD-27-21); and

Authorize and direct staff, if necessary, to negotiate, and the Mayor and City Clerk be authorized to enter into an access agreement with the Halton District School Board for pathway plowing on school property, with the content satisfactory to the Director of Roads, Parks and Forestry and in a form satisfactory to the Executive Director of Legal Services and Corporation Counsel; and

Direct the Director of Roads, Parks and Forestry to commence discussions with the Halton District School Board and the Halton Catholic District School Board in order to add all remaining unmaintained pathways connecting city streets and school properties in support of active transportation and our City of Burlington Integrated Mobility Plan, to the list of pathways and trails that are maintained in the winter commencing in the 2021/2022 winter season and report back during the upcoming budget discussions (SD-28-21).

CARRIED

Amendment

Moved by Mayor Meed Ward

That council consider during upcoming budget discussions enhancing the service for windrow clearing to twelve hours while keeping the fee at the existing rate for an estimated cost of \$7,000, and provide flexibility on the number of spaces, with a report back to council as part of the regular variance reporting.

CARRIED

Amendment

Moved by Councillor Sharman

Direct the Director of Roads, Parks and Forestry to commence discussions with the Halton District School Board in order to add +/-

175m of pathway, connecting Blue Spruce Avenue to the rear of Alexander's Public School, to the list of pathways and trails that are maintained in the winter commencing in the 2021/2022 winter season; and

Authorize and direct staff, if necessary, to negotiate, and the Mayor and City Clerk be authorized to enter into an access agreement with the Halton District School Board for pathway plowing on school property, with the content satisfactory to the Director of Roads, Parks and Forestry and in a form satisfactory to the Executive Director of Legal Services and Corporation Counsel.

CARRIED

Amendment

Moved by Councillor Stolte

Direct the Director of Roads, Parks and Forestry to commence discussions with the Halton District School Board and the Halton Catholic District School Board in order to add all remaining unmaintained pathways connecting city streets and school properties in support of active transportation and our City of Burlington Integrated Mobility Plan, to the list of pathways and trails that are maintained in the winter commencing in the 2021/2022 winter season and report back during the upcoming budget discussions.

CARRIED
